The immediate past president shall serve as an ex officio voting member of the Board of Directors; however, the past president shall not be required to be a member of a local school board to hold said office.

Section 2. Additional Director. A director district, as defined in Article I, Section 1, with public school enrollment of 80,000 or more is entitled to elect one additional member to the board of directors. Such director will be elected pursuant to the nomination and election procedures set forth in these Bylaws. Terms will be staggered so that only one director is elected in a director district election in any year, except to fill a vacancy. Persons elected to fill a vacancy shall serve the un-expired term of the person who vacated the office. Vacancies shall be filled as provided in these Bylaws.

Section 3. Term of Office. The term of office for directors shall be three years to begin at the organization meeting of the Board of Directors in January following their election and serve until their successors are elected and qualified. Except as provided in Sections 5 and 6 of Article III and Article IV, Section 1, all directors shall be members of a board in good membership standing of the corporation. A school board may have more than one member serve on the Board of Directors at the same time if each member represents a different membership classification as defined in Article II, Section 1, of these Bylaws.

Section 4. Nomination for District Director. Nomination for district director to fill a vacancy or due to the expiration of the incumbent's term shall be made by a caucus of delegates of each district at the annual meeting of the Delegate Assembly. The caucus shall designate not more than two persons for each vacancy and not more than two nominees shall be made for each expiring directorship. Notice of the time and place of the nominating caucus must be sent to each school board member in a director district at least 45 days prior to the caucus. In addition, a statement of candidacy must be included in the mailing for prospective candidates for district director to complete and return at least 21 days prior to the nominating caucus. If no person files a statement of candidacy 21 days prior to the caucus, a vacancy will exist which must be filled by the Board of Directors pursuant to Article IV, Section 7, of these Bylaws.
